

# TREES FOR LIFE STATISICAL HISTORY SINCE RECORDS KEPT

DATA COMMENCES IN 1981 WITH THE TREE SCHEME

BUSH FOR LIFE IN 1994

DIRECT SEEDING IN 2002

SEED COLLECTION 2005

Key totals	Total since records kept
Trees grown through all programs	32,362,102
Total volunteers	59,249
Total volunteer hours	7,035,597
<b>Tree Scheme</b>	
Landholder orders requiring volunteers	12,164
Landholder Grow your own orders	10,154
Total landholder ordering	53,000
Total number of volunteer growers including GYO	45,493
Seedlings for landholders	29,539,260
Back up seedlings grown for 22 zones	631,150
Propagation workshops held	99
People trained in propagation	978
Total seedlings grown	31,080,110
Estimated volunteer hours	6,759,610
<b>Direct Seeding</b>	
Kilometres sown	4,432
Hectares sown	1,803
Approximate Number of plants	1,823,992
No of private landholder sites	224
No of government project sites	55
No of business project sites	51
No of carbon offset sites	27
DS seed collection days	232
DS seed collection volunteers	85
DS seed collection volunteer hours	6,598
Kilograms of seed required	1,576
Volunteer Seed processing days	79
Volunteer Seed processing hours	646
<b>Seed Collection and Processing</b>	
Number of species	200+
Seed bank stock on hand (kg) (tree scheme only)	1,628
Seed collected (kg) (tree scheme + direct seeding)	5,958
Seed used (kg) (tree scheme only)	141
Seed used (kg) (direct seeding only)	500
TS group seed Collection days	70
TS seed collection volunteers	367
TS seed collection volunteer hours	2,720
Seedbank seed processing volunteers	53
Seedbank seed processing volunteer hours	8,340
<b>Bush Action Team Activity</b>	
Number of BAT volunteer days	4,711
Number of BAT volunteer hours	38,465
Number of Bush Management Days	335
Number of BMD volunteer hours	6,870
Number of Mini-BATs	1,922
Number of Mini-BAT volunteer hours	15,011
<b>Carbon</b>	
Tonnes CO2 for future offset	124,773
No. of trees grown	689,402
Hectares carbon pool established	757

TFL Works	
Plants planted	12,328
revegetation sites	9
bushcare hours	7,046
bushcare sites	52
Sites worked	53
seed collection hours	23,292
State Government clients	680
12	
<b>Volunteer Planting Teams activity</b>	
Number of member sites planted	53
Number of tubestock planted	23,292
Number of volunteers commitments over season	680
Number of Volunteer Hours:	1,861
Corporate planting days coordinated	7+
<b>Bush For Life</b>	<b>Current under management &amp; accumulative figures</b>
Number of hectares under BFL management	4111
Number of Bush For Life sites	379
Number of BFL volunteers	764
Number of BFL volunteer on BFL sites hours	238,756
Community Members trained (introductory)	3,781
Volunteers undertaking advanced training	778
